

## ***Monty Tech Summer Math 2017-2018***

**All incoming sophomore students are required to complete  
Summer Math Assignments**

### **Why Summer Math?**

The purpose of these assignments is:

- to keep student's math skills fresh over the summer months
- to better prepare students to be successful in their next level of math
- provide teachers with a "math profile" of each student in order to provide support.

### **Will the assignments be graded?**

Yes. These assignments will be graded for effort only, meaning that 100% completion means a grade of 100%! Grades on individual assignments will be used only to address any gaps in math skills.

### **How do I access the assignments?**

All assignments will be accessed and completed online using a free computer based tutoring program called ASSISTments. If you don't already have one, you will need to create an ASSISTments account.

### **If you DO already have an ASSISTments account from last year:**

- 1) Go to [www.assistments.org](http://www.assistments.org) and Login using your Login username (If you don't remember it ask your teacher) and password (1234) from last year.
- 2) Click on "Classes" in the upper left hand corner.
- 3) Click on the underlined "Enroll in a Class".
- 4) Enter the appropriate Enrollment Code for the course that you will be taking next year shown below and click "enroll".  
Algebra 1B CP2 Level: **bveuaq**  
Geometry CP4 Level: **vgmqd9**  
Honors Geometry: **zu5v67**
- 5) Verify the Class Information as "I will be entering Algebra 1B 2017-2018" or "I will be entering Geometry 2017-2018" or "I will be entering Honors Geometry 2017-2018" and click **OK**.
- 6) You will be brought to a new screen. ALL sophomores must complete all of the assignments listed! Make sure to complete the "Getting to know Assistments" assignment written in blue first, in order to know how use the system.

**If you DON'T already have an ASSISTments account:**

- 1) Access the ASSISTments website at <https://www.assistments.org/>
- 2) Click on the BLUE create an account button.
- 3) Under Create an Account click I am a student.
- 4) Enter the appropriate Enrollment Code for the course that you will be taking next year shown below and click "check".

Algebra 1B CP2 Level: **bveuaq**

Geometry CP4 Level: **vgmqd9**

Honors Geometry: **zu5v67**

- 5) Verify the Class Information as "I will be entering Algebra 1B 2017-2018" or "I will be entering Geometry 2017-2018" or "I will be entering Honors Geometry 2017-2018" and click **OK**.
- 6) Scroll down until you see the box for Student Information.
- 7) Fill out your student information: First Name, Middle Name (if you have one), Last Name, Birthdate (make sure to enter in the Month, Day and Year), email address, confirm email, leave the time zone alone, School Password: **1234**, confirm password.
- 8) Read the Terms of Use and Privacy Policy. Click the box accepting the terms of use.
- 9) Click the register button.
- 10) You will be brought to a new screen. This screen will provide you with your login for ASSISTments. **Be sure to record and keep both your Login username and your password of 1234.** You will need these to access your assignments later.
- 11) After recording your login username and password click **OK**.

**Problems or Questions?**
