Monty Tech's
Mission and Goals

Every student will graduate from Montachusett Regional Vocational Technical School with the skills, knowledge, and abilities to be a productive and effective member of an ever-changing society.

What is Title I?

The nation's largest federal assistance program for schools.

The Federal Government provides financial assistance to schools and districts with high percentages of students from low-income families to help ensure that all children meet challenging state academic standards.

Monty Tech is a school wide Title I School

This means all students attending monty tech are eligible to receive Title I services.

Title I Compact

Monty Tech's Responsibilities

- **Provide high quality curriculum and instruction in a supportive and effective learning environment**
- Assure each student equitable access to high quality learning experiences appropriate for his/her/their development
- **Use data to adjust instructional practices to strengthen core programming**
- Monitor student progress throughout the year and communicate with parents and guardians via email, phone, progress and report cards, etc.
- **Allocate resources (e.g., time, support teachers, materials) to deliver support to students when needed**
- Teachers, Title I staff and adminstration will attend professional development activities to stay current with policies, practices and research
- **Communicate families/guardians if/when a child is selected to receive Title I services or if their child is taught for at least four consecutive weeks by a teacher who is not highly qualified.**

ACADEMIC SUPPORT

Afterschool Tutoring Program

2025-2026

FREE After School Tutoring will run from 3:00-4:00PM beginning Monday, September 16, 2025. After school tutors are highly qualified teachers employed at Monty Tech. They are experts in their content area and use data driven assessments as part of their tutoring practice to identify and address students' skill deficiencies in English, Math and Science. Students are required to sign in/out of tutoring sessions. In addition, if students will be taking the 4:15PM late bus, they are asked to sign up in the main office in the morning or during their lunch period.

Mondays 3:00-4:00 PM	Wednesdays 3:00-4:00 PM	Thursdays 3:00-4:00 PM
Math Mrs. Hall (262)	English Mr. McMullen (167)	English & Biology Mr. Rooney (160) Ms. Rivard (235)
	Biology w/Ms. Billingham (278)	Math w/Mr. Sanden (264)

Before school tutoring is also available
Monday through Friday
7:10 AM - 7:40AM in room 225.

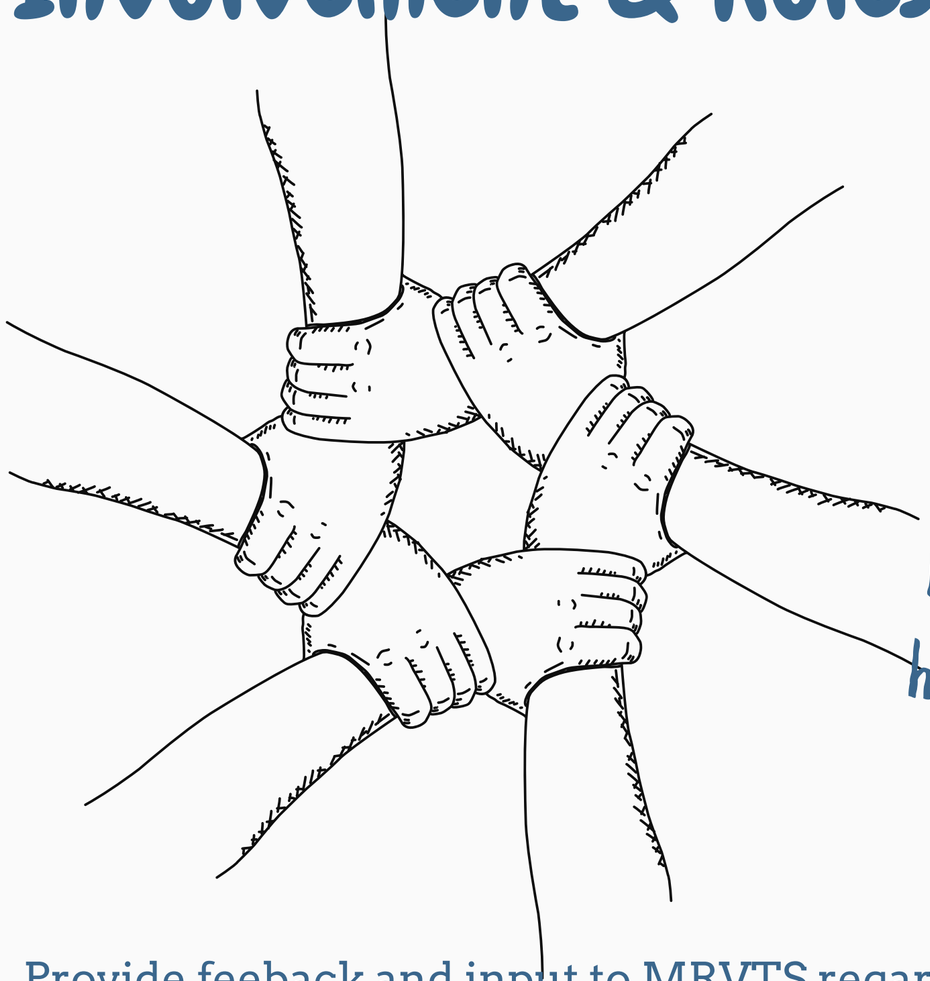
Parent/Guardian Involvement & Roles

BE INVOLVED:

Attend conferences, meetings, and school functions.

We encourage you to continue being an active teammate on your child's learning team by attending information meetings and maintaining ongoing communication with teaching staff.



Monty Tech encourages parental involvement and staying informed about your child's education.

Encourage children to complete homework and classwork and to seek help when needed.

Provide feeback and input to MRVTS regarding student learning and your child's specific experiences. Complete our parent feedback survey.

Student Responsibilities

- Demonstrate daily effort.
- Attend school regularly and complete requirement coursework.
- Strive to ulitize self advocacy skills and strategies.
- Develop and implements sound decision-making and communication skills at home and at school.
- Demonstrate appropriate citizenship skills at all times.

Program benefits

High quality instruction

High expectations and standards for **ALL** students

Small group instruction in
addition to regular classroom instruction
to achieve the learning standards of the
Massachusetts Curriculum Frameworks

Increase academic successes in ELA and Math
while building confidence in these
subject areas

Continuous family and community involvement

Include parents and familes feedback in
the program evaluation process

You have a right to know...

Do my student's teachers have state qualification and licensing criteria for the grade level(s) and subject areas in which the teachers provide instruction?

Are the teachers working under an emergency or other provisional license which state qualification or licensing criteria have been waived?

Is my student provided services by paraprofessionals, and if so, do their qualifications meet the needs of the role(s) they are fulfilling?

Questions?

Feedback?
